

St. Bridget Church
Annual Stewardship Campaign Pledge Directions

Making Your 2011 Pledge

- + Please complete a Stewardship pledge form and return it in the provided envelope, or place it in the offertory at Mass.
- + Please know that your stewardship pledge is your commitment to the first offertory collection. The contributions you make to second collections and other funds, including St. Bridget School, are recorded in your total giving at St. Bridget, but are not considered as donations in fulfillment of your stewardship pledge.
- + Please begin your new offertory commitment with your next Mass offering or by adjusting your E-giving.
- + If you have any questions about making your pledge, or would like someone to meet with you to discuss your pledge, please call us. (See pledge form.)
- + As you consider your pledge, please prayerfully respond to God's call to give generously by:
 - + Offering a meaningful portion of your financial resources and annual family income
 - + Increasing your previous financial stewardship by a significant and sacrificial amount

What Comes Next

- + In March, your patience is requested and will be appreciated as we provide parishioners with important but brief in-pew pledge opportunities.
- + Follow-up reminders to parishioners who have not yet responded will be conducted by mail and phone as needed.

A Special Mass Celebrating Stewardship

During Mass on the weekend of March 27th, we will joyfully celebrate the generosity of our parishioners by bringing all pledges to the altar and offering them with deep gratitude for God's blessings on our parish.
