

SAINT BRIDGET CHURCH
Catholic Heart WorkCamp 2012

Catholic Heart Workcamp is a year long program designed to help the youth of our parish prepare for a week of service next summer. Throughout the year and at the workcamp we strive to grow in our Faith as we serve others and build community. This program is open to present seventh graders through college aged students. We are also looking for adults to attend the camps.

Information about & signups for the 2012 Catholic Heart WorkCamps will be part of the POPPLE Mini-Retreat. The Retreat is for all the youth of St. Bridget. Applications will be received from September 18-22. Information and forms can be found on the St. Bridget Church website. Please address any questions to Anne-Marie Condlin at 426-5298 or amcondlin@gmail.com.
